CLOTHING

THE GEAR GREMLIN™ range of indispensable accessories are selected and developed by industry professionals, and covers all the really useful items that you'll need, either for your home workshop or when riding. Gear Gremlin™ provides handy tools to make light work of bike cleaning and routine maintenance, as well as neat ideas for styling, safety and storage, practical accessories for commuting and touring and dependable security devices.

MICROFIBRE CLOTH

£3.99

An efficient, reuseable and super absorbant cloth for cleaning your motorcycle or scooter. The tiny microfibres work hard at collecting dirt from most surfaces without leaving any residue streaks and should prevent any surface scratches when washing or polishing. The cloths can be washed in cold water and used many times over without losing absorbancy.

- > Dimensions: 34cm x 34cm.
- > Pack of 2.

| | |
|---------|-------|
| PART NO | GG507 |
|---------|-------|

WASH MITT

£4.99

A handy mitt suitable for washing, polishing and general valeting. The highly absorbent and super soft material should prevent any scratches and can be used either wet or dry.

| | |
|---------|-------|
| PART NO | GG502 |
|---------|-------|

CHAIN BRUSH

£11.99

Designed to remove grit and grime from a drive chain. Helps clean between links and rollers, and works best with a chain cleaning fluid. Wipe chain after cleaning and apply a new film of chain lubricant.

| | |
|---------|-------|
| PART NO | GG500 |
|---------|-------|

SILENCER BUNG

SMALL £7.99 / LARGE £8.99

A rubber bung to protect your engine and silencer from water ingress during washing. Universal comb fit.

- > Suitable for 2 stroke and 4 stroke applications.
- > Large - Max Dia 60mm, Min Dia 35mm.
- > Small - Max Dia 37mm, Min Dia 15mm.

| | |
|-------|---------|
| SIZE | PART NO |
| SMALL | GG100 |
| LARGE | GG101 |

ROUND POLISH APPLICATOR

£3.99

A handy mitt-style applicator suitable for polishing and general valeting. The soft towelling material should prevent any surface scratches and is great for getting that high shine finish on paintwork.

- > Dimensions: 150mm dia x 40mm.

| | |
|---------|-------|
| PART NO | GG504 |
|---------|-------|

CHAMOIS POWER CLOTH

£2.99

A synthetic chamois style cloth for drying paintwork and glass. This super soft design is washable and supplied with storage container.

- > Dimensions: 39cm x 33cm.

| | |
|---------|-------|
| PART NO | GG503 |
|---------|-------|

FIX IT

REPAIR & MAINTENANCE

BRAKE BLEEDING KIT

£14.99

An easy-to-use brake bleeding kit. Non-return valve will prevent air being drawn back into the system. Comes supplied with piping and associated clips.

| | |
|---------|-------|
| PART NO | GG110 |
|---------|-------|

CHAIN BREAKING TOOL

£29.99

Split a chain quick and easy with the Gear Gremlin chain breaker. Can be used for obtaining the correct chain length when fitting different sprockets or a direct new chain replacement. Suitable for most road and off road 420 to 535 motorcycle chains.

| | |
|---------|-------|
| PART NO | GG111 |
|---------|-------|

CABLE LUBRICATOR

£10.99

Keep control cables clean and lubricated with this easy-to-use unit. Designed to clamp onto the outer housing which creates a seal, thus allowing the flow of lubricant inside and along the cable.

| | |
|---------|-------|
| PART NO | GG510 |
|---------|-------|

CABLE REPAIR KIT

£12.99

An essential cable kit for those unexpected moments in a handy pocket-sized container. Parts include the following:

- > 1.6m of 1.5mm dia bowden cable with a 3.5mm to 6mm stepped nipple on one end.
- > 1.6m of 1.1mm dia bowden cable with a 3mm nipple on one end.
- 1 x 10mm dia x 20mm solderless nipple.
- > 1 x 8mm dia x 12mm solderless nipple.
- > 1 x 5mm dia x 8mm solderless nipple.
- > 1 x 8mm dia x 14mm solderless nipple with sleeve and nut.
- > 1 x 7.8mm dia x 9mm horizontal barrel nipple for 1.5mm dia cable.
- > 1 x 7.8mm x 15mm shouldered horizontal nipple for 1.5mm dia cable.
- > 1 x 3.5mm to 6mm brass steel sleeve nipple for 1.1mm cable.

| | |
|---------|-------|
| PART NO | GG150 |
|---------|-------|

ALLOY FUEL FILTER

£13.99

Protects the engine and fuel injection systems from dirt and grime. To be installed into the main fuel line.

- > Bore dia 6mm.

| | |
|--------|---------|
| COLOUR | PART NO |
| SILVER | GG112S |

SILICONE FUNNEL

£8.99

This collapsible silicone funnel conveniently folds down for easy storage at home or when you're out and about. The sturdy design can handle boiling hot liquids without buckling and is non-toxic.

- > Largest diameter 70mm with a spout diameter of 15mm.
- > Expanded length is 125mm and the collapsed length 70mm.

| | |
|---------|-------|
| PART NO | GG117 |
|---------|-------|

OIL FILTER WRENCH

£6.99

This high quality oil filter has a 3/8 square drive and is suitable for all the popular oil filters. Please check with your dealer or handbook for compatibility.

| | |

| PART NO | GG171 |
|---------|--------------|

HANDLEBAR GRIPS - ADVENTURE £10.99

To enhance the levels of grip and feedback required, ergonomically designed surfaces are incorporated utilising a deep-ridged portion and a fine diamond pattern. The deep ridges provide the extra purchase in adverse conditions and the fine diamond pattern with softer compound rubber maximises overall friction and comfort. Grooves are incorporated at the ends of the grips to enable lock wiring if required. Manufactured from a non-perishable and anti-split rubber.

> Suitable for 22mm diameter handlebars.

| | |
|---------|-------|
| PART NO | GG341 |
|---------|-------|

HANDLEBAR GRIPS - COMMUTER £8.99

Designed to provide excellent levels of purchase, comfort and durability these handlebar grips utilise a deep block pattern throughout. This pattern maximises durability while the medium compound rubber used provides excellent all-round friction and comfort. Manufactured from a non-perishable and anti-split rubber and are also supplied with a throttle spacing ring and finishing caps.

> Suitable for 22mm diameter handlebars.

| | |
|---------|-------|
| PART NO | GG342 |
|---------|-------|

HANDLEBAR GRIPS - SPORTS TOURING

£5.99

With ergonomically designed surfaces designed to provide an excellent level of feel and grip. The central main section enhances comfort and durability while the shallow grooving reduces vibration and a deeper grooved inner section improves grip and feedback. A soft end cap is incorporated which can be trimmed if necessary. Manufactured from a non-perishable and anti-split rubber.

> Suitable for 22mm diameter handlebars.

| | |

JUST RIDE

TRAVEL & TOURING

HANDLEBAR STRAPS
£22.99

These handlebar straps make securing your motorcycle or scooter safely in van or on a trailer so much easier than just using conventional tie down straps. By sliding these straps over the handlebar grips at each end you will have the ideal securing points. Tie down straps or conventional strapping can then be used to secure your motorcycle or scooter. Designed to fit most motorcycles from cruisers, sports, touring and motocross to scooters.

➤ Maximum load: 350kg.

The user is fully responsible for determining the safety and suitability of these straps and therefore liability is limited to the replacement of the straps if proved to be defective in materials or workmanship. The Key Collection accepts no liability arising from incorrect assembly or for any other purpose than for that which this product is intended.

| | |
|---------|-------|
| PART NO | GG251 |

CLASSIC NEON COVER
M £49.99 / XL £59.99

Manufactured from a waterproof, soft and durable 100% polyester with elastic hems for a secure fit. The elastic hems ensure the cover stays in place and the strategically positioned eyelets facilitate the use of a lock and chain. Reinforced side cut-outs are provided for passing a chain through so that the motorcycle or scooter can be locked. The top portion of the cover is neon yellow.

As well as keeping the motorcycle or scooter dry, it will provide protection from sun, rain, dust and UV exposure. If the motorcycle or scooter is kept outside, hiding it from prying eyes with a cover can be a deterrent to thieves. Washable and also comes with a storage bag.

SPARKPLUGS® EARPLUGS

£1.99 PER PACK
£199.99 FOR 100 PACKS

Made of extra-soft, extra light foam. Their tapered shape fits easily in the ear canal, and seals gently and snugly without pressure. They're so comfortable you'll forget you're wearing ear plugs. They offer a high SNR 35, making them suitable for most noisy environments. So, while they look like fun, they provide serious protection.

These are supplied in 1 box containing 100 packs of 2 pairs of ear plugs or 1 pack of 2 pairs.

- > 100% PVC-Free®.
- > Highest independently tested NRR.
- > Extra-soft, low-pressure foam for comfort and fit.
- > Tapered shape for easy insertion and removal.
- > Shaped to fit even very small ear canals.
- > Non-irritating smooth surface.
- > Look for the exclusive coloured streaks and swirls as a symbol of Moldex quality.
